### austerity the history of a dangerous idea blyth mark

June 6th, 2020 - one of the especially good things in mark blyth s austerity the history of a dangerous idea is the way he traces the rise and fall of the idea of expansionary austerity the proposition that cutting spending would actually lead to higher output as blyth documents this idea spread like wildfire paul krugman the new york review of books'

### 'project muse austerity the history of a dangerous idea

March 26th, 2020 - an accessible brisk read mark blyth s austerity the history of a dangerous idea is a valuable aid to understanding the implacable siren song of austerity even as it progressively decimates the capitalist core working class the institutions they fought for and ultimately the global economy and liberatory liberal trajectory that may after all be dependent upon working class leadership'
