The History of Animation Beginnings of Animation. History Toys Victorian Toys KS1 Lesson Pack 4 Twinkl.
Family fun ? make a Thaumatrope ? Honeycomb Adventures

The History of Animation Beginnings of Animation

May 13th, 2018 - One of the extra activities that we do at Slurpy Studios are animation workshops for Children aged 7 to 13 Animation is an incredibly fun inspiring yet educational activity that children of all ages can engage in and it?s always been a great privilege to be there when a child first sees their creation coming ?'

'History Toys Victorian Toys KS1 Lesson Pack 4 Twinkl

May 11th, 2018 - This lesson teaches children about childhood and toys in Victorian times Children compare Victorian toys with toys from today and identify any similarities and differences'

'Family fun ? make a Thaumatrope ? Honeycomb Adventures

May 14th, 2018 - An example of a Thaumatrope Back in the days when children often made their own toys they made thaumatropes This was a simple art form designed to fool the eyes into combining two pictures into one composite picture"
