April 18th, 2020 - Shit gets real this time
around all too real I was not thrilled with
the start of All Things Wise and
Wonderful because from the get go we
learn that James Herriot is going to be
writing about his wartime experiences
Frankly I wanted more of the same warm
and fuzzy stories with a bit of low
tension drama about life as a country vet
in the north of England as dished out in
the first two"
