May 19th, 2020 - new york times bestseller soon to be a series starring nicole kidman and melissa mccarthy if three characters were good in big little lies nine are even better in nine perfect strangers lisa scottoline the new york times book review from the 1 new york times bestselling author of big little lies could ten days at a health resort really change you forever'

'book review of nine perfect strangers a well read tart

May 24th, 2020 - until now i feel nine perfect strangers firmly deviates from women's fiction and swerves chaotically into thriller territory some of the situations got a little too intense for me and i wasn't a huge fan of the second part of the book that's not to say it's not good because it is i just wasn't expecting such intensity in a story that starts off at someplace ironically'

'nine perfect strangers summary supersummary

May 27th, 2020 - nine perfect strangers 2018 is a thriller novel by liane moriarty told in the third person by a handful of characters it concerns a woman named masha who after suffering a heart attack employs the people who saved her at a place called the tranquillium house staged as a wellness retreat center where she captures and terrorizes her
