'robert brandom

June 5th, 2020 - this project is developed at length in his influential 1994 book  
making it explicit and more briefly in articulating reasons an introduction to  
inferentialism 2000 a chapter of that latter work semantic inferentialism and  
logical expressivism outlines the main themes of representationalism the  
tradition of basing semantics on the concept of representation vs inferentialism  
the conviction for an expression to be meaningful is to be governed by a certain  
kind of inferential rules'

'inferential role semantics

April 10th, 2020 - inferential role semantics also conceptual role semantics functional  
role semantics procedural semantics semantic inferentialism is an approach to the  
theory of meaning that identifies the meaning of an expression with its relationship to  
other expressions typically its inferential relations with other expressions in  
contradistinction to denotationalism according to which denotations'
