murder art the films of
jörg buttgereit

May 9th, 2020 - the
original nekromantik
covers a few genres shock
gore art house and
erotica all with a sense
of style and talent that
rarely shows through in
low budget underground
cinema especially from a
first time feature film
director buttgereit had a
multitude of short films
like hot love which is a
special feature in this
set under his belt when
he and writing
collaborator franz
rodenkirchen decided on
this idea of binning two
of the most primal forces
of human nature lust and

death'
