*February 8th, 2020 - I'm just glad the spotlight seems to be going to Sarada and Mitsuki for once I know the story will eventually be focused on Boruto vs Kawaki but that would be no excuse to underdevelop Mitsuki and Sarada two extremely interesting characters who I would argue are more interesting than Boruto and Kawaki until you account for Jougan Karma some relationship to their respective Otsutsuki member'*

'Boruto Naruto Next  
Generations Episode 77

January 3rd, 2020 - I like the  
episode I like that boruto got  
a summoning and new added  
abilities and power ups but I  
do feel like the writers are  
lagging a bit with Sarada s  
development taking to long to  
Give her new power ups and a  
2nd tome but I ll give the  
writers the benefit of the  
doubt and be patient I just  
hope that at the end of this

much development as boruto and
