May 19th, 2020 - feb 21 2014 lacy glass buttons were made at the end of

the 19th and early part of the 20th century a lacy is a pressed transparent glass button with a fancy delicate design usually characterized by fine stipling in original condition the back often has colored silver or gold paint usually coated over with black paint'

'collecting vintage buttons part 1 adirondack girl heart

June 2nd, 2020 -
collecting glass buttons
early manufacture of glass buttons in the 18th century involved slicing glass rods and then grinding and polishing each button glass buttons can be differentiated from plastic by their coolness to touch and by the clinking sound they make when tapped against your teeth or each other'
